**AUTHORIZATION TO RELEASE INFORMATION AND CEMA PROCESSING FEES DISCLOSURE**

I/we (referred to as "Borrower," "I," "me," or "my" herein) acknowledge and agree that I am requesting Ditech Financial LLC ("the Servicer") to assign my mortgage to a new lender in connection with a Consolidation, Extension, and Modification Agreement ("CEMA") between my new lender and me. Borrower understands that the Servicer is accommodating my request to allow me to reduce the amount of mortgage tax that I would have to pay on my new loan. The Servicer is retaining an attorney to act as Bailee to hold the appropriate collateral file documents and to represent the Servicer in the CEMA Assignment transaction. I agree to pay the Servicer's \$600.00 processing fee to Fentin Goldman Turk & Davidoff LLP, and I understand that the nonrefundable processing fee of \$600 to Fentin Goldman Turk & Davidoff LLP is due upon request of the CEMA Assignment, regardless of whether the existing loan is subsequently paid in full or not.

Borrower authorizes the Servicer, and their attorney to provide information about my loan to the new lender, the broker, if any, the closing attorney, my attorney, if any, and any other parties requesting information in connection with the CEMA transaction. Further, I agree to indemnify, defend, and hold Ditech Financial LLC, the Servicer, and their respective affiliates, subsidiaries, parent company, representatives, agents, officers, directors, employees, contractors, attorneys, shareholders, investors, predecessors, successors, and assigns harmless from and against any claims, penalties, losses, damages, expenses, and costs relating to the Servicer, or their attorney's providing information about my loan in accordance with this authorization.
